The following communication was presented and referred to the committee on ways and means:

CHICAGO, Oct. 6, 1804. Mayor Topeka, Kansas.

DEAH SIR—A Mr. Swihart called on us a day or two ago in regard to a drill outfit for sinking a hole for coal at To-

peku We are preparing and will send you estimates on the outfit that we should recommend in accordance with Mr. Swi-

hart's suggestiona.

We would also like to call your attention to the fact that we are and have been for years contractors for doing prospecting work with a diamond drill. We have done work of this kind all over the country and have men who have wide experience and in spite of the somewhat disastrous outcome of the previous attempt to sink a hole at Topeka, we should have no hesitation to undertaking to put a hole down there for the same money the other company

We could take hold of the work very promptly and have every reason to be-lieve that we could put it through to your entire satisfaction. If we should not succeed in doing this we should not want any pay. If you will investigate us a little I believe you will find that we are perfectly responsible and that we have a reputation for doing satisfactory

We take the liberty of malling you one of our Diamond Drill catalogues. hope that should you decide not to buy a drill you will consider letting us un-dertake the work by contract.

Yours truly,
SULLIVAN MACHINERY CO.
